

Woodturning Classes by Frank DiDomizio

I teach things that you cannot learn on YouTube. All classes offered are one-on-one and are held at Frank DiDomizio's studio in Selwyn Ontario, just outside of Peterborough. A full size lathe and all materials, turning tools, safety equipment, handout notes and lunches will be provided. Overnight stay and dinner at our lakefront home is also available for an additional fee. Classes can be customized if desired.

To register email me at frank.didomizio@gmail.com or call me at mobile number 705-760-4340.

Woodturning Fundamentals 1 Day for \$180

Woodturning Fundamentals covers introduction to the lathe, turning tools, sharpening, basic spindle turning and basic bowl turning. This class is for beginners with little or no turning experience.

Intermediate Woodturning 2 days for \$300 or 3 days for \$420

Intermediate Woodturning covers all of the introductory topics in more detail, spindle turning, vase turning, bowl turning and platter turning as time allows. Basic turning skills will be helpful for this class.

Introductory Bowl Turning 1 Day for \$180

Introductory Bowl Turning covers introduction to the lathe, bowl turning tools, sharpening and basic bowl turning. It includes effective cutting, shear scraping, grain direction, mounting techniques and power sanding.

Intermediate Bowl and Platter Turning – 2 Days for \$420

Intermediate Bowl and Platter Turning covers all of the introductory topics in more detail, intermediate bowl turning, platter turning and simple embellishment. Basic turning skills will be helpful for this class.
